

THE RINGS OF ODEN: *New Technology For Quantum Healing!*

Workshops presented by Aaron and Sue Singleton, Founders of
The Way To Balance, LLC, Center for Advanced Healing and Training
and The EOL Healing Process and Vibrational Tools

More powerful and versatile than a pyramid, the Rings combine **Sacred Geometry, Crop Circles, Cell Microbiology, and DNA Holographic Re-Patterning** to create an energy vortex of net-neutral energy particles that increase light resonance in the body. This causes denser, "stuck" areas to open and flow normally. The spiraling vortex of energy created by the Rings is **adaptable to numerous healing applications for both practitioners and laypeople.**

The Rings of Oden™ enhance your healing potential in many ways:

- ⊕ Optimize the positive and negative ion flow throughout the body.
- ⊕ Assist in pulling Bacterial, Viral, Fungal and Parasitic Residues from the body, which may cause Lyme Disease, Chronic Fatigue, Arthritis, IBS, and more.
- ⊕ Enhance Mental Clarity, Endocrine and Chakra Balance, Immune System Function.
- ⊕ Facilitate the release of Anxiety/Fear, Frustration/Anger, Guilt/Remorse, Sadness/Grief patterns that may cause Panic Attacks, Phobias, Depression, Eating Disorders, etc.
- ⊕ Assist removal of Metals, Insecticides, and Other Toxins from the body.
- ⊕ Strengthen and cleanse the Liver, Gallbladder, Kidneys, and other organs.
- ⊕ Enhance 3rd Eye/Intuition, Light-Body Transition, and MUCH MORE!

How does this revolutionary new technology work?

The Rings of Oden™ are part of a collection of dynamic, cutting edge vibrational tools based on a revolutionary new technology—"Net-Neutral Ionic™ Energy", created by Aaron and Sue Singleton. The Rings (and other tools) are carriers of "Net-Neutral Ionic™ Energy." Energy is embedded into each carrier by the proprietary EOL Neutral Ion Generator Device (IG-N), which converts positive and negative ions into a stream of particles in which each particle has both positive and negative ionic potential (net-neutral particles). With proper use of the Rings, the body's Inner Knowing takes either the positive or negative charge it needs for healing, and discharges the rest.
