The Rings of Oden: New Technology For Quantum Healing

Developed and offered exclusively by:
Aaron and Sue Singleton of The Way To Balance, LLC
Center For Advanced Healing and Training

What are the Rings of Oden?

The Rings of Oden™ are part of a collection of dynamic, cutting edge vibrational tools based on a revolutionary new technology—"Net-Neutral Ionic™ Energy", created by Aaron and Sue Singleton. These unique and powerful Rings create an energy vortex of net-neutral energy particles that increase light resonance in the body, causing denser, "stuck" areas to open and flow normally. When placed directly on the body, the Rings' light resonance may penetrate 7-9 cm, creating a vortex to draw out toxic energy. The body's needs at that moment regulate whether the vortex transmits in or draws out. The spiraling vortex of energy created by the Rings is more powerful and more versatile than a pyramid, and adaptable to numerous healing applications for both practitioners and laypeople. The Rings combine Sacred Geometry, Crop Circles, Cell Microbiology, DNA Holographic Re-Patterning, and MORE!

What are the benefits of the Rings of Oden?

The Rings of Oden™ enhance your healing potential in many ways:

- ⊗ Optimize the positive and negative ion flow throughout the body.
- ⊗ Assist in pulling Bacterial, Viral, Fungal and Parasitic Residues from the body, which may cause Lyme Disease, Chronic Fatigue, Arthritis, IBS, and more.
- ⊗ Enhance Mental Clarity, Endocrine and Chakra Balance, Immune System Function.
- ⊗ Facilitate the release of Anxiety/Fear, Frustration/Anger, Guilt/Remorse, Sadness/Grief patterns that may cause Panic Attacks, Phobias, Depression, Eating Disorders, etc.
- ⊗ Assist removal of Metals, Insecticides, and Other Toxins from the body.
- ⊗ Strengthen and cleanse the Liver, Gallbladder, Kidneys, and other organs.
- ⊗ Enhance 3rd Eye/Intuition, Light-Body Transition, and MUCH MORE!

In this workshop, you will dowse the configurations most helpful to you:

- ⊗ Dowse the power of light and sound resonance, as amplified by the Rings.
- ⊗ Experience healing benefits of several Ring configurations.
- ⊗ Learn **many** applications for single and multiple Ring configurations for use at home.
- ⊗ Qualify for **special one-time only discounts of up to 40% off**, available for workshop participants during the workshop only.

What is Net-Neutral Ionic Energy? How does this revolutionary new technology work?

The Rings of Oden™ and the other Neutral Ionic Healing Products are carrier tools for this revolutionary new technology—"Net-Neutral Ionic™ Energy." Energy is imbedded into each **carrier tool** by the exclusive EOL Neutral Ion Generator Device (IG-N), which converts positive and negative ions into a stream of particles in which each particle has both positive and negative ionic potential (net-neutral particles). Light resonance is accelerated and attuned to specific frequencies that create a new energy vibration that was previously unknown. Darkness, or illness, is primarily the absence or distortion of light, or inadequate energy vibrational frequencies.
